Policy for Collective Worship

Chair of Governors	Mrs C Hamilton
Headteacher	Miss S Wrigley
Date adopted: December 2021	Review Date: December 2023

Collective Worship at St Aloysius Catholic Primary School provides opportunities for pupils and staff to come together to worship God. It is rooted in the example and teachings of Jesus Christ whilst considering the religious and educational needs of all who share in it. We believe that Collective Worship takes account of the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in church.
- Those for whom school may be their first and only experience of church
- Those from other Christian traditions – or none
- Those from other faith backgrounds
- It is an experience to which all can contribute and from which all can gain. It is an integral part of school life and central to the Catholic tradition.

We believe that Christian worship in Catholic school names and celebrates God's presence in our lives. It is concerned with giving glory, honour, praise and thanks to God. It is our loving responses, in word and actions, to God's invitation to enter in to a relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.

All children are involved and given an opportunity to respond in an act of daily worship. This gives all involved, time to contemplate the mystery of God, the wonder of life and to draw us closer to God. On these occasions' children are given the opportunities to participate, to reflect and to respond.

Aims

We believe that Collective Worship in our school aims to provide an opportunity for all children and staff:

- To promote and develop an appreciation of more active participation in prayer, liturgy and worship. relevant to the age and experience of each child.
- To consider and reflect on spiritual and moral issues and to explore their own beliefs.
- To be respectful and relevant towards beliefs of others.
- To reinforce positive attitudes to prayer.
- To develop links with the parish community.
- To enable and encourage a sense of belonging with a common ethos and shared values.
- To enrich the religious experience of all members of the school community.
- To reinforce home/school/parish links.
- To foster a sense of wonder and joy in creation and to promote an understanding of responsibility for their world.
